

Our Vision

Bunge is dedicated to the well-being of the communities where we operate through continuous improvement in environmental management at every location.

Our Commitment

We are committed to implementing innovative solutions to minimize our environmental footprint and support projects and activities that strengthen our approach to fighting climate change.

Our Principles

- We comply with environmental laws, regulations and requirements applicable to our processes, products, services and projects.
- We promote continuous environmental improvement by providing adequate resources, applying environmental management principles, utilizing environmental risk assessments and measuring environmental performance associated with our facilities, processes, products, services and projects.
- We seek environmentally sustainable development through pollution prevention, waste minimization, reuse and recycling in our processes, products, services and projects.
- We demonstrate social responsibility by seeking to meet the environmental needs of our communities and by promoting the responsible use of natural resources.
- We engage employees and contractors in environmental sustainability efforts and providing adequate training to enhance environmental management practices.
- We establish environmental goals and are transparent in our progress toward these goals.
